

*Drainage Board Meeting
February 20, 2013*

Present: Al Logsdon, David Gogel, Mickey Toler, Surveyor Herron, Elaine Jones, Attorney Wilkinson, Auditor Lynam

Meeting was called to order by President Al Logsdon at 3:40 P.M.

Bid Opening-JC Hoople Drain

Herron reported that three contractors, Erwin, Selzer and Youngblood were at the meeting, but we only received one bid. The bid received was from Youngblood Farms, Inc. in the amount of \$15,000. Work to Start at State Road 161 and end approximately 16,500 feet to the East.

Toler made a motion to accept the bid from Youngblood Farms, Inc. Gogel seconded the motion, motion approved.

Logsdon explained that he had been called to look at a ditch on CR 1200 near Lamar that drains into Crooked Creek; it has grown up and doesn't drain well in some areas. A contractor who was on site asked that the county consider putting in an 8" tile all the way through there. Logsdon spoke to Painter about the possibility of this project being paid for with Cum Bridge Funds since water runs over the road after a rain. Painter felt that since this would alleviate the flooding on the road that it would be a valid expense of Cum Bridge Funds. Logsdon asked the contractor to give him an estimate for the job and then he would bring it back to the Board and they could discuss how they wanted to proceed.

Herron reported that the job that K&K Dirtworks is working on is moving along. Knepper is cutting the limbs off the trees and stacking them out by the road and then Leiberings are going to haul the trees off. Herron said he told Knepper that as long as the bid specs are met and the landowners are satisfied with what is being done he was okay with it, but he wanted to know the Boards feelings. Herron asked that if in the future when we change something like that do you think I need to get something signed from the landowner and the contractor stating that they have made an agreement.

Gogel made a motion to adjourn. Toler seconded the motion, motion passed.

Meeting was adjourned at 3:58 P.M.
